Francisco,

Hey, my generalissimo. How are you? Today you are involved in my family misunderstanding! Hope that's okay. You don't have to do anything. I just included you as a 'soul-friend' family applicant.

If however you don't want to be a 'soul-friend' buddy; that's okay too; and let me know and I shall withdraw your name. Please read, at least that which relates to you; just in case you disagree, which I doubt.

Among other things, I have asked the court to recognize my right to invoke cultural law, and for a Habeus Mentem (Right to Legal Sanity) Declaratory Order.

I have also asked various United States and other parties to confirm (or deny) to the court, the work that I have been doing.

Hope that's okay. Hope you are well. Miss hearing from you. What have you been upto?

Lotsa Luv Big Sis,

Love the 'fuck' outta you, as always!

Timothy:

Do you want to meet Lara and spend time with her before she departs planet earth?

If you care about Lara: please provide Ann and Clive Johnstone with a buck stops here answer in writing; which they can 100% understand?

Yes or No.

No written answer shall be interpreted as you don't care about Lara at all; and you don't care whether she commits suicide; you are too busy playing ego games with your freemason friends.

If Yes: By what date do you intend to physically in person arrive at 16 Taaibos Street to meet Lara; to decide whether the two of you want to spend time together and if so how and where; so that she knows she should abandon or delay her state assisted suicide plans.

Lara.

For the Record:

Lara is not in the least offended by Ann statement that Lara can have funds to go to Switzerland to commit suicide; and wanted to know how much money was needed; and Lara

had to make sure that she did in fact commit suicide and Ann would not have to bother with Lara ever again.

Lara appreciates Ann for being brutally honest about her opinions about Lara's suicide preferences and saying them to Lara to her face in crystal clear Buck Stops Here language.

Thank you Ann.

**Lara Johnstone summary of meeting on porch called by Ann Johnstone: re: sale of 16 Taaibos Ave.**

Brief summary of preceding events:

Ann Johnstone notified me that Estelle Brown was bringing people to see the house at 2pm.

At lunch time I asked Clive Johnstone whether he had informed Estelle Brown of the unresolved issues related to the sale of 16 Taaibos Avenue. He said he had informed Ms. Brown that there were issues and that she could probably expect an email from Lara. I said that if Clive had informed Estelle about the unresolved issues, then Pam Golding properties were not honestly informing prospective buyers of such information on their website. What if someone decided to go to all the effort of seeing the house getting his finances in order to make an offer, and only then finds out that there are unresolved issues with regard to the sale of the house; then he has been deceived by Pam Golding Properties. Ann Johnstone responded that the sale of 16 Taaibos had absolutely nothing to do with the unresolved court case issues with Frode and Talitha. I asked Ann if that was a legal statement. She said no 'its common sense'.

Ann asked if I had sent her the email with Timothy's email address. I said I had sent it to her last night. She said she had not received it. I said it had probably been intercepted by NSA or KGB. She asked me to send it again. I said I would. She said the people were coming soon to see the house. I asked whether I need to hide my photos of Tim on my desk in my

drawer. She said no; whomever came to see the house would not care whether I had photos of Tim McVeigh on my desk.

Shortly thereafter the house buyers arrived at 2 pm; Estelle Brown brought them into my room and introduced them to me. I asked Estelle whether she had informed the house buyers of the unresolved issues regarding the sale of the house, which my parents had informed her of. She said she had. I asked her to notify the house buyers in my presence of those unresolved issues. She refused and left the room.

Ann arrived to ask if I had been rude to Estelle. I said not to my knowledge. I had asked Ms. Brown if she had been honest with the house buyers about the unresolved issues relating to the sale of 16 Taaibos.

Ann was furious; and came into my room where she proceeded to angrily inform me of among others: I should not make an enemy of her and God. I asked her if her God cared about honesty or money. If he cared more about money than honesty, then he is a Masonic God, and she is welcome to obey him; but I have been at war with him for a long time. Unlike him I do not practice secrecy and gossip. I wage honourable war: to his face; and I give him the opportunity to prove me wrong with evidence.

She again said 'do not make an enemy out of me'. I responded that if she chooses to make herself an enemy of people who are honest with her; because her God demands she worship money not honesty; then that is her choice.

Prior to going to the meeting I sent Ann and Clive a copy of the email I had resent to them again [05/01/14 at 14:27 hrs attached] with Tim's email address. I asked Ann if she had received it. She said she had not received it.

Porch meeting: A lot of arguing. I took my tape recorder along, and switched it on; but it refused to work and simply flashed the word 'wait'; and would not record.

**Lara's summary conclusion [Clive and Ann's may differ] of porch meeting:**

Ann said Lara can have funds to go to Switzerland to commit suicide; and wanted to know how much money was needed; and Lara had to make sure that she did in fact commit suicide and Ann would not have to bother with Lara ever again. Lara should find out how much is needed for her to go to Switzerland and make such arrangements.

Lara said she has been making such plans and will finalize such plans and she hopes that Ann and Clive die before they ever find out what Lara has gone through in the past 14 years; and then having to ask themselves 'I didn't listen to Lara'; 'I didn't care to investigate what Lara told me'; 'why didn't I care?'

I seriously doubt you want to spend time with me; but you are welcome to bullshit yourself that you would like to meet me.

What have you done in the many years we have known each other to prove you would like to spend any time with Lara?

Don't commit suicide cause the planet is lonely? The planet is not lonely it is swamped with 7 billion cockroaches pretending to be humans! Maybe you are lonely; but I doubt the planet or any of the other species who are being exterminated by 7 billion human cockroaches will be lonely with them all gone.

What sucks sometimes Francisco? Being a two faced money worshipping hypocrit coward?

If so: I don't know ain't been one!

The most interesting person you ever met! You hardly know me Francisco; so kindly stop bullshitting yourself or me!

What has been an honor and pleasure? Watching me fight a battle while you – former military navy soldier – sits around and does sweet bugger all?

Filled out your 'unconditional' or 'conditional' Ecology of Peace culture statement yet? No. Intend to? No. Keep bullshitting yourself how you give a fuck about solving any of the problems on this planet, or helping anyone who does give a fuck about solving any of the problems on this planet.

**Subject:** General Pittard & Francisco Martin

General Pittard:

Former US Navy soldier Francisco Martin says he is a white man who does not give a fuck about honour! Doesn't even have a definition for it! Means fuck all to him. His primary concern is niche tits and ass slut chasing and fucking!

Furthermore he does not think White men, members of goddamn fucking secret societies, bullshitting themselves they give a fuck about 'honour' and 'becoming better men' and being 'knights' and such shit; some of them worth trillions have been ruling the planet: economically and militarily for at least 100 years [end of WWI]; these fucking pathetic excuses for a white skin should be bothered to stop chasing tits and ass sluts for long enough to implement an Ecology of Peace social contract of honour for the entire planet!

\*\*\*\*\*

Francisco:

Would that be an accurate summary of your verbal diarrhea drivel Francisco?

There are many reasons I married a [nigger](#); but here are two:

White men, members of goddamn fucking secret societies, bullshitting themselves they give a fuck about 'honour' and 'becoming better men' and being 'knights' and such shit; some of them worth trillions have been ruling the planet: economically and militarily for at least 100 years [end of WWI]; and do you think these fucking pathetic excuses for a white skin can be bothered to stop chasing tits and ass sluts for long enough to implement an Ecology of Peace social contract of honour for the entire planet?

No.

I informed that nigger I would not be breeding any children with him. He asked me to marry him before he had even seen what I looked like. Yet when we had an argument or when we had stuff to say to each other that hurt; we said in plain buck stops here language that both of us understood. He was willing to look me in the face and be brutally honest with me, no matter how much it hurt; even if that meant tears streaming down his cheeks and him or me sobbing in the middle of a prison visiting room; or either of us standing screaming at each other with anger while correction officers stood next to both of us afraid we might hit each other; which we never did.

Demian Johnson nigger honour!

You ever been in a maximum security prison visiting room Mr. Francisco Martin? Lived smack bang in a crips vs bloods crack infested gangland ghetto; only white face for miles?

No. Too busy reaping the 'niche' profits of white supremacy; which has fuck all concern about using that white supremacy power to stop chasing tits and ass sluts for long enough to implement an Ecology of Peace social contract of honour for the entire planet!

If I could get hold of Timothy McVeigh's OKC bombing commanding officer green eyed Seminole Indian, CIA sniper and US Army Special Forces Master Sgt. Michael Martin and informed him I had finally made up my mind that I was fucking off; he'd probably ask if we could spend a couple of days or weeks together; go to the desert; or Siberian nature reserve; sit in the bath, or Lake Baikal for hours and listen to nature's music; and when I was ready he'd be honoured to pull the fucking trigger and blow my brains away and make sure my body was disposed of in nature in whatever way I asked him to.

That would be Indian Nigger with 'in your face' honour.

As for cracker nigger McVeigh: we shall have to wait and see what his 'in your face' honour turns out to be; or not.

Either way: I intend to go to Siberia and maybe a Russian Slav nigger president will find some KGB private willing to meet Lara in Lake Baikal nature reserve somewhere and dispose of her body in the Siberian wilderness once she has stuck a bullet through her brains.

Meanwhile White men, members of goddamn fucking secret societies, bullshitting themselves they give a fuck about 'honour' and 'becoming better men' and being 'knights' and such shit; some of them worth trillions can continue their short reign of niche freedom slavery white supremacy; raping and pillaging the planet: economically and militarily for however long; and these fucking pathetic excuses for a white skin can continue chasing tits and ass sluts with fuck all concern for leaving a legacy of implementing an Ecology of Peace social contract of honour for the entire planet; before mother nature or third world immigrants end their white supremacy reign of tits and ass and rape and pillage.

Enjoy your Armageddon secret society 'fuck honour' race war gentlemen!!

I shall be departing to take my chances that there is somewhere a planet in this universe with white; or black; or brown men of honour who give a fuck about taking personal responsibility to live in accordance to a responsible freedom social contract.

Maybe McVeigh will show up before I leave, and maybe he won't.

**Subject:** RE: Impending removal of Francisco Martin as GMC 4643-13 applicant

Francisco Martin  
Sacramento, California  
Tel: USA: (916) 807-8625

CC: Veronica Guzman Martin: Francisco's former wife  
CC: Clive and Ann Johnstone  
BCC: GMC 4643-13 Applicants and respondents

Lara is removing Francisco Martin from any further GMC 4643-13 Applicants correspondence for the next two weeks until Francisco emails Clive and Ann Johnstone notifying them that Francisco intends to write Clive and Ann a letter; and by what specific date Clive and Ann can expect to receive Francisco's letter; including the following information:

- Introduce yourself; who you are, where you live, what you do, etc.
- How you met Lara; how long you have known Lara and a summary of the context of your relationship to Lara; including with regard to Radical Honesty, Brad Blanton and other Radical Honesty trainers.
- Your response to Lara when she asked you if she could include you as an applicant in the GMC 4643-13 Lara Johnstone v Brad Blanton et al case; confirmation that you have read all the GMC 4643-13 applicants correspondence copied to you by Lara; and a brief analysis and summary of the issues involved therein.
- Whether you think that what Lara has been doing is 'worth it' to Lara and/or her parents; and how.
- If the work Lara has been doing is 'worth it' to you; however you may define 'worth it'.
- If you believe the work Lara has been doing has been 'worth it' to anyone else; please clarify whom and how you think it may have been helpful to such persons; and why you think such persons refuse to say 'thank you' to Lara or publicly support her work?
- Whether you are willing to write an official affidavit statement under oath; providing greater detail and evidence about any issues mentioned above; and that you would be willing to testify in court under oath via skype on any of those issues; should Clive and Ann request such a statement from you.

If Francisco Martin has not provided Clive and Ann Johnstone with the aforementioned letter by the end of two weeks: 23 January 2014.

Lara shall suggest to Clive and Ann Johnstone to ignore Francisco Martin's email to them objecting to Lara's intended suicide; ignore Francisco's verbal diarrhea that he would like to spend time with Lara; ignore Francisco pretending to consider Lara interesting; and that Francisco was not sincere about considering his former friendship with Lara to have been an honor and a pleasure.

Lara shall inform the George Magistrates Court that Francisco Martin's actions of omission and commission refusal to cooperate indicate Francisco's demand to be removed as a GMC 4643-13 applicant.

Francisco Martin shall not receive any further correspondence from Lara ever again prior to her death: unless Francisco contacts Clive and Ann Johnstone to apologize for being a gutless two faced hypocrit coward; and Francisco files an affidavit with the George Magistrates court to apologize for his two faced hypocrit perjury to Lara and the court ([PDF](#)); prior to Lara's departure from planet earth.

Respectfully

**Known:**

Francisco Martin was formerly in the US Navy; has been and currently lives in Sacramento and has been and currently works for the California Government. Francisco was formerly married to Veronica Guzman Martin. They have two children: unpleasant divorce. Allegedly Francisco was unfaithful without Veronica's consent and she divorced him. Francisco contacted Lara after reading her comments on From the Wilderness; asking about Radical Honesty. A platonic internet email friendship ensued. Lara attempted to help Francisco and Veronica resolve their issues in dispute related to their divorce.

I have received no response from you to clarify whether you intend to Buck Stops Here back up your claims in your email to my parents; or whether you shall honourably withdraw your claim as two faced hypocrit verbal diarrhea that you did not mean.

If you want to resolve this misunderstanding and remain an applicant; inform me of the conflict resolution process you suggest; and I shall be happy to consider it.

For your Records and consideration: (a) Transcript of pro se applicant clerk administrative related correspondence for the specific attention of second applicant Francisco Martin; regarding issues related to his involvement as a GMC 4643-13 applicant ([PDF](#)); and a (b) copy of prior correspondence with Mr. Francisco Martin on 26 December 2011; filed with the court as Enclosure A ([PDF](#)).

In the absence of you informing me that you want to resolve this issue in dispute by 17:00 hrs on 27 January 2014 (or if you need more time; let me know by when I can expect an answer from you); I shall conclude that you would prefer that I remove you as an applicant; and that our 'friendship' on your part was not based on honesty and a commitment to resolve any misunderstanding.

**Mr. Arif Hasan Akhundzada:**

Arif: If Francisco is removed; I shall add you as an additional GMC 4643-13 impartial observer; which means you shall receive a copy of all GMC 4643-13 applicants correspondence; for transparency observer records purposes. If you don't want to; not a problem; simply let me know: you would prefer not to be an observer.

Mr. Arif Hasan Akhundzada is a Pashtun Pakistani Muslim, former [RPN representative](#); whom I met while engaged in discussions with Renaissance Vanguard political party members on peak oil and ethno-nationalism issues. He has not been afraid to inform me – a very outspoken European woman – to my face of his brutally honest opinions\*; when he was angry with me; or [publicly honourably express politically incorrect opinions about Europeans](#) to their face. For the record: I was not offended by Mr. Akhundzada’s angry words; and have continued to correspond and provide him with information when I thought it may be of interest to him, Muslims or Pakistan.

I have received no response from you to clarify whether you intend to Buck Stops Here back up your claims in your email to my parents; or whether you shall honourably withdraw your claim as two faced hypocrit verbal diarrhea that you did not mean.

I have received no response from you indicating your intentions that you want to resolve this misunderstanding and remain an applicant.

I have no attachment as to whether you remain an applicant or not. Any applicant may at any time notify me in writing of their wish to honourably withdraw and I shall respect such request. Until such request for honourable withdrawal is received I assume every applicant is a voluntary applicant because they want to cooperate to resolve the issues in dispute. If you want to resolve the issues in dispute; find your spine; and kindly cooperate to resolve the issues in dispute as requested of you. If you do not, I shall conclude you aint got no intellectual, philosophical or emotional spine and unfortunately for you: I do; and I shall remove you as an applicant.

Don't know if this correspondence to Tim and my parents; which is an updated written correction regarding a verbal discussion between Ann and Lara Johnstone; initiated by Ann Johnstone; to clarify issues about her statements to Lara regarding Lara's state assisted suicide options; may be relevant to your decision making; however its generally relevant to the context of the original discussion which prompted your email to my parents; you refuse to back up or withdraw.

Timothy McVeigh:

CC: Clive and Ann Johnstone

RE: Correction re: Summary of Clive & Ann Johnstone porch meeting: re: sale of 16 Taaibos Ave.

A few days ago mum asked if we could talk. She said she was sorry for what she had said to me about me going to Switzerland to commit suicide. She had not been feeling well that day and had cold sore blisters in her mouth.

I said I was not angry with her about what she had said; in fact I appreciated her honesty and also thought it may be useful for all of us to discuss the issue honestly as one of our options.

Ma and Pa may not understand what I have gone through; but I do know what they have gone through in supporting me. It is true that I would not be here today if it had not been for the Ma and Pa's love and support.

However, this situation has gone on long enough. Either Timothy McVeigh informs me and them in crystal clear language (a) of the date he is arriving at front gate; or (b) the name of the person, or persons whom is and has been stopping him from arriving at our front gate for the past 13 years; or (c) that he wants nothing to do with me; (d) or what exactly I have to do; for us to be together.

If we cannot get answers from Tim on these questions; or at the least a date by when he will provide us with these answers; then I don't have anything to live for and I'd really like to leave this planet.

So at least if Ma and Pa are willing to consider the option; and we can discuss it as one of our options; not necessarily the only one; without screaming and fighting; then that will help me allot.

So we agreed that we would consider it as one of my options. I thanked Ma for our chat and for being willing to discuss the issue as an option without us getting mad and into an argument about it; and for chatting to me about her thoughts and for all she and Pa had done for me; in my efforts to solve the nightmare of me trying to do whatever it is I have to do to be with you.

Love

Lara

Whether implicitly or explicitly, both counselor and client need the virtue of courage in its form as “philosophical courage” in order for the counseling to be successful. Moreover, the degree of such courage in both client and counselor will determine the extent to which issues are brought into question..... there is another form of courage—philosophical courage—required of individuals in dealing with their most fundamental beliefs and values. .... I believe the best way to demarcate roughly the different forms of courage, is through an analysis of the cost involved with each form of the virtue.... First, with physical courage, the possible cost involved, at the extreme, is the physical loss of life.... Second, with moral courage, the possible cost is social rejection and isolation and/or a loss of “ethical integrity or authenticity”. Third, with “psychological courage,” the possible cost perceived by the individual is “psychic death.” .... And fourth, with “philosophical courage” the possible cost is philosophical instability where one’s most fundamental beliefs and values are brought into doubt. ... it demands of the individual a confrontation with fundamental beliefs and values”.

\*~~~~~\* \*~~~~~\*

**Mr. Hakam Al-Shawi:**

Feel free to provide any insight, no matter how critical; should you choose to enquire further into the issues in dispute.

The relationship between myself and Francisco is within the context of two friends whose friendship was based upon brutal honesty form of intellectual, emotional, philosophical constructive criticism feedback friendship; similar to Delancey Street’s each one teach one process; as opposed to formal philosophical counselling.

Respectfully

It is now almost 17:00 hrs on 27 January 2015 and there has been no response from you. As stated I shall remove you as an applicant and conclude that our 'friendship' on your part was not based on honesty and a commitment to resolve any misunderstanding. I shall provide you with a copy of the documents filed with the court removing you as an applicant; and terminate all contact with you.

Feel free to change your mind sometime in the future. Don't know how long I shall still be around.

Chances of Timothy McVeigh or the US Government informing my parents in crystal clear language (a) of the date Timothy is arriving at 16 Taaibos front gate; or (b) the name of the person, or persons whom is and has been stopping him from arriving at my frontdoor or gate for the past 13 years; or (c) ordering Tim to inform me that he has no intention of ever arriving at my frontgate or door and wants nothing to do with me; (d) or what exactly I have to do; for us to be together; are close to zero %.

All that remains for me to do is notify all the EoP read receipt supporters and then confirm with the other applicants where they stand. Doubt any of them will man up. Then I can close down the EoP campaign; and spend some time with my parents, before selling my belongings, buying a ticket to Siberia and fucking off from this planet of gutless fucking two faced hypocrit kaffir cowards.

**RE: GMC 4643-13 applicants & Sonoma Co Sheriffs Office: Re: Filing Fraud Charges against Radical Honesty Enterprises**

**TO: *Sonoma County Sheriffs Office:***

*Re: Sonoma County Sheriffs Office preference for correspondence omitting the use of profanities.*

*Re: Correspondence from Sgt Eddie Engram: “Please complete a detailed statement detailing the alleged fraud, the amount of loss and how you believe the alleged fraud occurred in Sonoma County. After that information is received, I will provide you with a case number. Also necessary is your biographical information including full name, date of birth, address and contact phone numbers. Also in the future, it would be appreciated if your correspondence omitted the use of profanities.”*

I am unclear:

Does Sonoma County Sherrif’s Office want a statement from an individual not only focused on root cause problem solving; but engaged in actively listening; to clearly express her ‘subjective truth and objective truth, the whole truth and nothing but the truth’; whether it includes what any other person on earth from any culture or religion may consider a ‘profanity’ or not?

*If so:*

Not a problem. I am able to provide you with such a statement.

When I have completed my detailed ‘subjective truth and objective truth, the whole truth and nothing but the truth’ statement detailing the alleged fraud, the amount of loss and how I believe the alleged fraud occurred in Sonoma County; I shall provide it to you; along with my biographical information you requested.

Actively listening means: (a) you listen with an attempt to clearly hear exactly what the person is saying; not what you think they should be saying; (b) you provide them with an interpretation of what you heard for them to confirm and verify as accurate or if inaccurate for you to use more clear language to clarify what you mean so that you can be accurately heard.

Put simply you listen as if there is a gun pointed to your head; and that gun is going to go off if you choose to be biased in your hearing or your interpretation of what you heard; because

your fragile ego addicted to ego Mindfuck warfare demands that you misrepresent what you heard.

An overview of Buck Stops Here Ecology of Peace Buck Stops Here communication practices is available at [Ecology of Peace](#); and included in [Ecology of Peace Supporters Oaths](#).

*If not:*

Not a problem. I am able to respect Sonoma County Sheriff's Office preferences not to engage in root cause problem solving; and terminate correspondence with your Office on this issue.

I shall not contact the Sonoma County Sheriffs Office again on this fraud charge issue against Radical Honesty Trainer: Susan Campbell.

I shall only contact the Sonoma County Sheriff's Office if correspondence to other Police or Sheriff's officials on Radical Honesty Fraud issue or any other EoP discussion matter; makes reference to the Sonoma County Sheriff's Office; and if so: I shall provide the Sonoma County Sheriff's Office with a copy of such correspondence.

In this case; as far as I am aware; I am speaking on behalf as myself as 'Pro Se Applicant Clerk'; and on behalf of the other GMC 4643-13 applicants.

Here follows my correspondence to them:

In this case; as far as I am aware; in terms of filing Fraud Charges against Brad Blanton and his Radical Honesty trainers; I am speaking on behalf as myself as 'Pro Se Applicant Clerk'; and on behalf of the other GMC 4643-13 applicants.

No current applicants have ever requested me to dilute my verbal or written correspondence; and engage in bullshit the public image management.

As far as I am aware: (a) while your own verbal and written correspondence on the EoP social contract issue does not include the use of my buck stops here verbal and written communication style correspondence; (b) you prefer me; as Pro Se Applicant Clerk; to stick to my EoP Radical Honoursty 'buck stops here; lets not waste each others time in doing whatever it is we can to explore options for the honourable implementation of an Ecology of Peace international law social contract; and if so; how; and if not: confront reality and honourably terminate the Ecology of Peace campaign'

EoP Interpretation: As far as I am aware two current applicants [See: [Ankara suicide bombers at Peace Rally](#) | EoP v WiP Comments Corr [PDF](#) → 25 May: *MCRD Parris Island SC: Fox Company - Land Navigation - May 11 2015*; and *Good Men Project: Daddy: Why do people go to War?*]; whom I imagine are: Timothy McVeigh and Vladimir Putin; are buck

stops happy with me sticking to my subjective and objective truth, the whole truth and nothing but the truth; whether it includes what anyone else considers profanities or not. I am unaware if the suicide bombers psychotronic NSA/Kremlin manipulators; were acting only on behalf of McVeigh and Putin; or the other current applicants as well. [EoP Interpretations are subject to [EoP RH IQO interpretation caveat](#)]

If any GMC 4643-13 applicant wants me as Pro Se Clerk; to discard my EoP Radical Honoursty 'buck stops here; lets not waste each others time in doing whatever it is we can to explore our options for whether we will be able to implement an Ecology of Peace international law social contract; and if so; how; and if not: confront reality and honourably terminate the Ecology of Peace campaign; asap.'; they are welcome to (a) follow in the footsteps of Francisco Martin and withdraw themselves from being an applicant ; and/or (b) recommend an alternative clerk for the consideration of the other current applicants. If you are collectively happy with such new alternative clerk; I have no problem handing over the Clerk duties to such person.

I have plenty of other things to do to keep me busy; from spending my time growing delicious organic veggies for me and my parents and pottering around the house doing DIY Survivalist type chores; compiling survivalist recipe's online at night, etc. I have a new berry tree, still unclear whether it is Blueberry or Cherry Guava; to nurture.

A few nights ago I spent hours drafting an EoP blog post: Peak Oil Slide to Olduvai Gorge: Glencore – commodities; explaining the [Life After the Oil Crash Olduvai Gorge Die Off](#), [NNR Scarcity ecological overshoot tipping point](#) causes of Glencore's Toxic Derivatives Time Bomb; that shall make [Lehman Brothers Global Financial Meltdown 2008 collapse](#) seem like a tupperwear party; further clarifying the War is Peace reports from [Zero Hedge / EcoCollapse / Guardian / ShitHitsTheFan](#); and I had just about completed it; when my computer was rebooted from an external source; and the entire report deleted.

As it is I currently spend almost no time in the day during the week online; growing veggies and doing other home survivalist stuff. I have not updated any [UJMC 44 Special Forces](#) interpretations for any of the recent terror events subsequent to Charleston AME church; that indicated possible EoP motivation cryptic clues; such as [Chattanooga Marine Corp Recruitment Office shootings](#); [George Bus Burnings](#); [Umpqua Community College attack](#), etc.

I could do so; but as far as I am concerned there is currently a clear 'if so: how' option; answer to the issue of: 'buck stops here; lets not waste each others time in doing whatever it is we can to explore our options for whether we will be able to implement an Ecology of Peace international law social contract; and if so; how; and if not: confront reality and honourably terminate the Ecology of Peace campaign; asap.'

*EoP How Option:*

The [EoP Axis Military Necessity Evacuation](#) is an excellent honourable 'how'; for those who wish to get on with the goddamn job of 'Citizens of Planet Earth: Wake the Fuck Up: We are Serious about implementing an Ecology of Peace international law social contract' Evacuations.

So if the EoP Axis Officials (a) do not implement the EoP Axis Military Necessity 'how' option; by evacuating the 26 September Lotto targeted Scarcity Combatants – half of the Lawyers, Mental Health, Organized Religion & Charity Non-profits | Media | and Breeding/Consumption War Extremists – from India and Philippines i.e: humanely eliminated by means of psychotronic technology that terminates the functioning of their bodily organs; their bodies are to be disposed of in silo's for composting; (b) or inform us in

crystal clear terms how or what we could do to help them to implement aforementioned the EoP Axis Military Necessity 'how' option or any other option; (c) we can confront reality and honourably terminate the Ecology of Peace campaign; and notify all the Lotto Nations that the EoP Axis Lotto is being terminated.

I shall include a copy of this correspondence in [EoP Axis Military Necessity Evacuation: EoP Applicants \[PDF\]](#) correspondence.

Hi Francisco

**Francisco Martin: Thank you and good bye.**

There has been fuck all response from the FBI about my fraud complaint against Brad Blanton and Radical Honesty Trainers.

I don't know how the [EoP v WiP NWO Negotiations](#) will work out.

It is a goddamn fucking relief to finally be able to be working on something to enable me to fuck off from this kaffir planet.

If we don't ever communicate again. Thanks for the brief period of time I spent on this planet; where you were willing to provide me with your 100% In Your Goddamn face buck stops here subjective and objective honesty opinions.
