Subject: Donald Rumsfeld: Re: Important Global War on Terror metrics question

Mr. Donald Rumsfeld

I am just an Ecology of Peace village idiot, not a Masonic War is Peace General or politician.

Here are some thoughts regarding your 2015 and 2003 [question](#): “An important unanswered question I asked back in 2003: Today we lack metrics to know if we are winning or losing the global war on terror. Are we capturing, killing or deterring and dissuading more terrorists every day than the madrassas and the radical clerics are recruiting, training and deploying against us?”

If you consider yourself an EoP supporter or if not; an honourable WiP supporter; and consider any of this response worthy of further consideration
It requires editing; and I can work on editing them for greater clarity. Sorry: I am pissed off today; tired of working on reports for people who pretend to be EoP supporters or WiP honourable and turn out to be nothing but two faced gutless wonder hypocrites; so the tone of this letter is ‘pissed off’. Such pissed off state of being is not necessarily about you; I am just generally pissed off; and that tone is coming through in this correspondence to you. Its not personal; although to the extent that you are involved in obstructing an honest problem solving solution; it is towards you, as well as all your fellow Masonic War is Peace parasites.

*~~~~~**~~~~~**~~~~~**~~~~~*

Dumbfuck face reality Ecology of Peace village idiot answer:

It does not sound like an Ecology of Peace social contract question motivated by problem solving intentions.
The Ecology of Peace social contract does not lack a metric to determine between Eco-Innocent and Scarcity Combatant.

EoP Problem Solving: If 'global war on terror' is a problem that requires solving; then the root – overpopulation and overconsumption as a consequence of a Masonic War is Peace ‘right to breed and consume above ecological carrying capacity limits’ international law social contract -- causes of the problem need to be identified so that the problem can be solved. Problem solvers solve problems by identifying the root causes and determining whether the individuals complaining about the 'problem' have the will to eliminate the problem.

Masonic War is Peace Parasite Problem Perpetuation: If 'global war on terror' is a problem that must not be solved but perpetuated so that military, political, economic, legal cannibal reptilian elite pretending to be humans can profit from it remaining unsolved and from pretending to solve it; then the real problem must be hidden behind plausible deniable language; so that it never gets solved [which would interrupt the profits of the parasites pretending to give a fuck about solving it]. Corporate, religious and political parasites pretend to solve problems by deliberately aggravating the perpetuation of social conflict problems to socio-politically and parasitically profit from pretending to solve the problem. Legal parasites endorse and enforce the Masonic -- Fuck problem solving if you can profit from perpetuating Masonic ‘right to breed and consume’ War is Peace resource theft social contract parasitism – social contract.

Possible Masonic War is Peace General or politician who wants to abolish Masonic War is Peace social contract answer:

Do you want an Ecology of Peace or Masonic War is Peace answer Mr. Rumsfeld?

If Ecology of Peace; I recommend you rephrase the question:

=====

Generals and Admirals

My Secretary of Defence Working Hypothesis Argument is to abolish the [War is a Masonic Breeding Slaves and Cannon Fodder Fertility Religion for Human Sacrifice and Profit Racket](#) founded on [Vatican Roman Empire Canon Law slavery](#) [para 20-50] social contract and implement an [Ecology of Peace](#) social contract that has a [crystal clear metric](#) to determine between Eco-Innocent and Scarcity Combatant:

* EoP supporters: Please provide me with your buck stops here written support and a strategy for implementing an EoP social contract.

* WiP supporters: Please provide me with your argument and evidence that implementing an EoP social contract is flawed and unworkable.

=====

If you had no Generals and Admirals willing to consider the EoP argument and provide you with their buck stops here support; see resignation advice to [General Martin Dempsey](#) and [Sgt Maj Brian Battaglia](#).

If you had any Generals and Admirals willing to consider the argument and provide you with their buck stops here support; if any of them gave a fuck about responding to you face to face or in writing; listen to those who disagree. If their argument is persuasive change your mind and continue your support for the Masonic Human Factory Farming War is Peace social contract. If their argument is not persuasive insist that the DoD policy be unanimous either way: EoP supporters honourably and publicly resign informing the public and world of their EoP reasons for resigning; or WiP supporters honourably resign and allow EoP supporters to attempt to implement the EoP social contract policy and see if it can be done.

I ain't found any American General or Admiral willing to give me any Buck Stops Here support so far; which may or may not be relevant to whether you would have found American Generals or Admirals in support of such an argument, had you made it at the time; or should the current Sec of Defence make it at this time; regarding whether they would have given you their EoP Buck Stops Here support; if you had honourably shoved your EoP opinion in their face and asked them to make a decision either way.

Maybe American Generals and Admirals concept of survival for America; aren't like Israeli Generals and Admirals whose concept of survival for Jews is stronger than their Mindfuck Ego Machismo and addiction to tits and ass sluts; who listen to, and cooperate with; problem solving ideas no matter how controversial; as opposed to whether the person speaking has a penis or a vagina; or a massive dumbfuck imbecile following.

I don't know.

Ultimately it depends on what you want and give a fuck about; what was or is important to you: An Ecology of Peace social contract; or playing your Masonic War is Peace Ego-Mindfuck games.

If you are being psychotronically manipulated by McVeigh or an EoP psychotronic [KGB NSA MI6 Mossad] expert; who did have direct official involvement in McVeigh's faked execution and subsequent employment with the NSA: Did you have any direct official involvement in McVeigh's faked execution and subsequent employment with the NSA; and if so: your motives therefore?

Do you believe Timothy McVeigh OKC bombing motives were (a) that the Global Masonic Reptilian War is Peace social contract needed to be abolished or drastically reformed to accommodate unconditional Ecology of Peace citizens; or that he was some neo-nazi Turner Diaries anti-government racist?

Do you believe that irrespective of McVeigh's motives McVeigh was entitled to a free and fair military necessity trial by an impartial court of Masonic Judges capable of hearing constructive criticism about the fuck up that is their Masonic War is Peace cult social contract religion; irrespective of whether he was the one and only village idiot on the planet who had such heretical Ecology of Peace anti-masonic beliefs, or whether there were only a handful of people on the planet who supported his heretical anti-masonic beliefs?

I know what is important to me: Being with Timothy McVeigh.

I don't need a nanny government policeman, soldier, politician or judge to order me to breed and/or consume below ecological carrying capacity limits. I don't need no nanny government policeman, soldier, politician or judge to order me to be honest with rich or poor, stupid or genius niggers, spicks, crackers, kikes, chinks, japs, etc. and inform them to their face about ecological carrying capacity facts.

There ain't no confusion between the policeman, soldier, politician or judge in my ego about ecological literacy facts: Earth is not flat; resources are finite; to avoid resource war conflict: breed and consume below ecological carrying capacity limits; and eliminate those who breed and consume above ecological carrying capacity limits [Been sweet fuck all response from ICC Prosecutors or Judges as to whether they will accept my [Johnstone v Tutu et al](#); or EoP PoW's -v- Nobel Committee & Peace Laureates et al (PDF) complaint; i.e. whether Ecology of Peace arguments and evidence are welcome in their Masonic War is Peace cult courts; nor any letters from any Secretary of Defence to the ICC asking whether they give a fuck about answering any complaints submitted to their Prosecutors office from Ecology of Peace culture citizens.]

Unlike Masonic War is Peace elite; I don't really give a fuck about surviving to breed a child onto a Masonic War is Peace human factory farming slavery planet. I am quite happy to save my procreation capacities for one day when I find myself born onto a planet where the elite managing that planet care more about confronting ecological carrying capacity reality and living in accordance to honest communication practices; by implementing an Ecology of Peace social contract for all its tribes; than being Masonic War is Peace Ego-Mindfuck two-faced hypocrite parasites.

The Global War on Terror is a USG or DoD policy initiated subsequent to the WTC, Pentagon and Anthrax Attacks.

WTC Attacks Known Facts: What & Where:

The September 11 attacks (also referred to as September 11, September 11th, or 9/11) were a series of four coordinated terrorist attacks on the United States in New York City and the Washington, D.C., metropolitan area on Tuesday, September 11, 2001, killing 2,996 people and causing at least \$10 billion in property and infrastructure damage.

Four passenger airliners were hijacked and flown into two WTC towers, Pentagon and dirt field in suicide attacks. Two of the planes, American Airlines Flight 11 and United Airlines Flight 175, were crashed into the North and South towers, respectively, of the World Trade Center complex in New York City. Within two hours, both 110-story towers collapsed with debris and the resulting fires causing partial or complete collapse of all other buildings in the WTC complex, including the 47-story 7 World Trade Center tower, as well as significant damage to ten other large surrounding structures. A third plane, American Airlines Flight 77, was crashed into the Pentagon (the headquarters of the United States Department of Defense), leading to a partial collapse in its western side. The fourth plane, United Airlines Flight 93, was targeted at Washington, D.C., but crashed into a field near Shanksville, Pennsylvania after its passengers tried to overcome the hijackers. In total, 2,996 people died in the attacks, including the 227 civilians and 19 hijackers aboard the four planes. It was the deadliest incident for firefighters and law enforcement officers in the history of the United States, with 343 and 72 killed respectively.

WTC & Pentagon Unknown Facts: Who, How & Why:

Bush Administration Official Report:

The [9/11 Commission Report](#), formally named Final Report of the National Commission on Terrorist Attacks Upon the United States, is the official report of the events leading up to the September 11, 2001 attacks. It was prepared by the National Commission on Terrorist Attacks Upon the United States ([PDF](#)) at the request of United States president George W. Bush and Congress. The "9/11 Commission" or the "Kean/Hamilton Commission" was established on November 27, 2002 (442 days after the attack) and their final report was issued on July 22, 2004 [exactly two years after [corrupt two faced hypocrit African SA Magistrate and Afrikaner Prosecutors had me illegally arrested and institutionalized in a psychiatric asylum allegedly for 'observation' for honourably and legally attempting to encourage discussion about the implementation of an Ecology of Peace social contract; and 7 years prior to \[Anders Breivik's Oslo Utoya Masonic Templar attacks\]\(#\) \].](#)

Who: 19 Muslim Al Qaeda terrorists on the orders of Osama Bin Laden

How: Hijacked Boeing passenger planes using their Cessna flight training skills; and avoided all detection by US Government, due to Government national security incompetence.

Why: They 'hate American freedom'.

Crossing Rubicon Peak Oil Resource War Conspiracy:

Crossing the Rubicon argues Bush administration; under Maestro VP Cheney enacted WTC attacks as a false flag inside job event; motivated by energy depletion resource war issues. [[Crossing the Rubicon: Summary](#)]

Who: Bush Administration and US Military Officials deliberately and consciously allowed and or actively helped 19 Al Qaeda terrorists to both enact terror attacks and avoid detection prior to terror attacks.

How: Cheney diverted Air Force and ordered remainder to stand down to avoid hijacked planes being shot down by Air Force; Bush Administration officials silenced government or military officials warning of Al Qaeda terrorists plans and US Government complicity in aiding and abetting them; planes hijacked from 19 Al Qaeda terrorists by US Military officials means of Promise Software and Globalhawk remote control technology.

Why: Economic Resource war motivations: use false flag terror attack to increase domestic concentration of power via Patriot Act and new Homeland Security Dept, as well as create external Clash of Civilizations Islamic enemy to rally Americans to support US Government to declare war on Middle Eastern countries to steal their oil.

*~~~~~**~~~~~*

Jewish Zionist Cull Towelhead Oxygen Thieves War Conspiracy:

Masters of Deception [only briefly perused] argues the Neoconservative Bush administration was either directly or indirectly complicit with Israel's Mossad to enact the WTC as a false flag inside job event; motivated by culling towelheads. In this case plausibly Benjamin Netanyahu was VP Cheney's maestro conductor master. The term 'war on terror' or 'global war on terror' was allegedly coined by Benjamin Netanyahu. [[Masters of Deception: 9/11 Zionism & War on Terror](#)]

Who: Bush Administration officials conducted the false flag inside job WTC attacks; acting on their neoconservative Zionist ideological imperative motives; or under the direct or indirect orders or coercion of their Jewish Israeli Zionist masters.

How: Presumably using classified military technology; such as Global Hawk remote control technology.

Why: Cull Muslims and steal their energy resources; make the Middle East safer for Jews/Israeli Zionism [as opposed to other racial, ethnic, religious or class [zionism's](#)].

*~~~~~**~~~~~*

Jesuit Vatican Counter-Reformation cull Liberal Oxygen Thieves:

Vatican Assassins argues Jesuits; under Maestro Black Pope Sec Gen Peter-Hans Kolvenbach ordered US intelligence agencies to enact WTC attacks as a false flag inside job event; motivated by Vatican Counter-Reformation religious war issues. [[Vatican Assassins WTC Attacks Summary](#)]

Who: Bush Administration officials conducted the false flag inside job WTC attacks; acting on the direct orders of their Masonic Jesuit Vatican Human Factory Farming Slavery master: the Black Pope; or indirectly under the direct orders of their Jewish masters who were acting on the direct orders of their Jesuit Vatican Human Factory Farming Slavery masters.

How: Black Pope used his Masonically-controlled, fanatically anti-Jewish Race, Islamic Intelligence operatives under the domestic control of the CIA (Osama bin Laden having been directed, financed and trained by the CIA for at least ten years — just like Jesuit-trained and CIA-financed Fidel Castro before he, like bin Laden, became a false enemy of the CFR-controlled American government) to be openly and notoriously instructed as Islamic pilots at the Venice Airport (a Florida facility used

by the CIA since 1948) in order for Archbishop Egan's controlled American Press to spread the prepared news release that the doomed airliners were hijacked by "Arab terrorists" in the employ of Osama bin Laden when in fact, to the horror of the American pilots, the airliners had been taken over and guided to their targets, remotely controlled by American Military Intelligence operatives overseen by the Black Pope's CIA/NSA.

Why: Vatican's Counter-Reformation event to restore the Papal Caesar [Pope] as the absolute Universal religious, political and military Monarch of the World. Time had arrived for Jesuit General to destroy both the Dome of the Rock and the Al Aqsa Mosque in Jerusalem, secretly using his CIA/Nazi-trained, Masonic Zionist Mossad in conjunction with his CIA/Nazi-trained, Masonic Islamic Intelligence Agencies, including Osama bin Laden's MAK and Pakistan's ISI, while shrouded in the confusion of a huge aerial war yet to come. This will enable the General's crusading Knights Templars (the present day Shriner Freemasons) to rebuild Solomon's Temple — for the Papal Caesar in Rome's Vatican.

Masonic War is Peace Illuminati Occult Human Sacrifice PsyOp:

Fritz Springmeier's Illuminati Occult Conspiracy argues that the Illuminati -- a worldwide secret society whose membership is exclusively drawn from elite blood lines. Governing body of mystery religions in ancient times; consider themselves illuminated to divinity – who control the present world political system were involved in the WTC Attacks motivated by Occult Masonic ritual magic beliefs. Ritual Magic is art of changing consciousness at will. Purpose of a ritual is a vital part of Illuminati used to control the participants thinking and alter life. Elements of a ritual: * use symbols, numbers, geometric patterns and words; * employ some form of worship of a particular deity; * involves a sacrifice such as a burnt offering; * often use hypnotic trances; * done at a sacred site; * is carefully orchestrated with precision. [Fritz Springmeier: [Role of Illuminati's Occult Philosophy in 9/11](#)]

Who: Bush Administration officials conducted the false flag inside job WTC attacks.

How: using classified military technology combined with Occult Masonic ritual magic psychological warfare techniques.

Why: Presumably for one or more Occult Masonic War is Peace human sacrifice resource thieving consolidation of Masonic Freedumb Slavery power ritual purposes.

Anthrax Post Box Attacks: Known What & Where Facts:

[Wikipedia:](#) As "a precaution" Cipro was administered to Dick Cheney and his close staff on the evening of 9/11 as the Vice President was secreted off to an undisclosed location, days before the first anthrax letters were mailed. The anthrax attacks came in two waves. The first set of anthrax letters had a Trenton, New Jersey postmark dated September 18, 2001. Five letters are believed to have been mailed at this time to: ABC News, CBS News, NBC News and the New York Post, all located in New York City and to the National Enquirer at American Media, Inc. (AMI) in Boca Raton, Florida. Robert Stevens, the first person who died from the mailings, worked at a tabloid called Sun, also published by AMI, died on October 5, 2001, four days after entering a Florida hospital with an undiagnosed illness that caused him to vomit and be short of breath. Only the New York Post and NBC News letters were found; the existence of the other three letters is inferred because individuals at ABC, CBS and AMI became infected with anthrax. Scientists examining the anthrax from

the New York Post letter said it appeared as a coarse brown granular material looking like Purina Dog Chow.

Two more anthrax letters, bearing the same Trenton postmark, were dated October 9, three weeks after the first mailing. The letters were addressed to two Democratic Senators, Tom Daschle of South Dakota and Patrick Leahy of Vermont. At the time, Daschle was the Senate Majority leader and Leahy was head of the Senate Judiciary Committee. The Daschle letter was opened by an aide, Grant Leslie, on October 15, and the government mail service was shut down. The unopened Leahy letter was discovered in an impounded mail bag on November 16. The Leahy letter had been misdirected to the State Department mail annex in Sterling, Virginia, due to a misread ZIP code; a postal worker there, David Hose, contracted inhalational anthrax.

The anthrax letters are believed to have been mailed from Princeton, New Jersey. In August 2002, investigators found anthrax spores in a city street mailbox located at 10 Nassau Street near the Princeton University campus. About 600 mailboxes that could have been used to mail the letters were tested for anthrax, and the Nassau Street box was the only one to test positive.

The New York Post and NBC News letters contained the following note:

09-11-01
THIS IS NEXT
TAKE PENACILIN NOW
DEATH TO AMERICA
DEATH TO ISRAEL
ALLAH IS GREAT

The second note that was addressed to Senators Daschle and Leahy read:

09-11-01
YOU CAN NOT STOP US.
WE HAVE THIS ANTHRAX.
YOU DIE NOW.
ARE YOU AFRAID?
DEATH TO AMERICA.
DEATH TO ISRAEL.
ALLAH IS GREAT.

All the letters were copies made by a copy machine. The originals were never found. Each letter was trimmed to a slightly different size. The senate letter uses punctuation. The media letter does not. The handwriting on the media letter (and envelopes) is roughly twice the size of the handwriting on the senate letter (and envelopes).

The envelopes addressed to Senators Daschle and Leahy had the return address:

4th Grade
Greendale School
Franklin Park NJ 08852

The address is fictitious. Franklin Park, New Jersey, exists, but the ZIP code 08852 is for nearby Monmouth Junction, New Jersey. There is no Greendale School in Franklin Park or Monmouth Junction, New Jersey, though there is a Greenbrook

Elementary School in adjacent South Brunswick Township, New Jersey, of which Monmouth Junction is a part.

In the letters sent to the media, the characters 'A' and 'T' were sometimes bolded or highlighted by tracing over, suggesting that the letters contained a hidden code.

The letters to The New York Post and Tom Brokaw contained a "hidden message" in such highlighted characters.

According to the FBI Summary Report issued on February 19, 2010, following the search of Ivins' home, cars, and office on November 1, 2007, investigators began examining his trash. A week later, just after 1 a.m. on the morning of November 8, Ivins was observed throwing away "a copy of a book entitled Gödel, Escher, Bach: An Eternal Golden Braid, published by Douglas Hofstadter in 1979" and "a 1992 issue of American Scientist Journal which contained an article entitled 'The Linguistics of DNA,' and discussed, among other things, codons and hidden messages".

The book Gödel, Escher, Bach contains a lengthy description of the encoding/decoding procedures, including an illustration of hiding a message within a message by bolding certain characters. According to the FBI Summary Report, "[w]hen they lifted out just the bolded letters, investigators got TTT AAT TAT – an apparent hidden message". The 3-letter groups are codons, "meaning that each sequence of three nucleic acids will code for a specific amino acid".

TTT = Phenylalanine (single-letter designator F)
AAT = Asparagine (single-letter designator N)
TAT = Tyrosine (single-letter designator Y)

The FBI Summary Report proceeds to say: "From this analysis, two possible hidden meanings emerged: (1) 'FNY' – a verbal assault on New York, and (2) PAT – the nickname of [Dr. Ivins'] Former Colleague #2." Ivins was known to have a dislike for New York City, and four of the media letters had been sent to New York. The report states that it "was obviously impossible for the Task Force to determine with certainty that either of these two translations was correct", however, "the key point to the investigative analysis is that there is a hidden message, not so much what that message is." Ivins showed a fascination with codes and also had an interest in secrets and hidden messages. He also was familiar with biochemical codons.

The letters sent to the media contained a coarse brown material, while the letters sent to the two U.S. Senators contained a fine powder.[58][59] The brown granular anthrax mostly caused skin infections, cutaneous anthrax (9 out of 12 cases), although Kathy Nguyen's case of inhalation anthrax occurred at the same time and in the same general area as two cutaneous cases and several other exposures. The AMI letter which caused inhalation cases in Florida appears to have been mailed at the same time as the other media letters. The fine powder anthrax sent to the senators mostly caused the more dangerous form of infection known as inhalational anthrax (8 out of 10 cases). Postal worker Patrick O'Donnell and accountant Linda Burch contracted cutaneous anthrax from the Senate letters.

All of the material was derived from the same bacterial strain known as the Ames strain. Prior to the attacks, the Ames strain was believed to be a common strain isolated from a cow in Iowa. After the attacks, the investigation discovered that it was a relatively rare strain isolated from a cow in Texas in 1981 - a critical fact in the investigation. First researched at the United States Army Medical Research Institute of Infectious Diseases (USAMRIID), Fort Detrick, Maryland, the Ames strain was then distributed to sixteen bio-research labs within the U.S. and three other locations (Canada, Sweden and the United Kingdom).

Occult Analysis of Anthrax Attacks:

I am unaware of any analysis of occult messages of the Anthrax attacks; however simply perusing aforementioned Wikipedia facts; which clearly refer to 'hidden cryptic messages' [echoing a public statement by President Bush within days after the WTC attacks, warning American and world citizens to monitor the media for cryptic clues in media reports from the terrorists]; there are a few glaring possible occult related synchronicities:

Dick Cheney and staff took cipro before any Anthrax letters, mailed. * The Anthrax letters were allegedly from the Ames strain:

According to a number of US Federal indictments, as of June 2004, the Gambino family continues to operate in Boca Raton. The television show *The Sopranos* featured the city in its plot ("Boca" and "...To Save Us All From Satan's Power"), and *Mafia Wife* author Lynda Milito resides in Boca Raton. Joey Merlino, the reputed head of the Philadelphia crime family, also resides in northern Boca Raton. The Hillsborough river [See [Hillsborough overpopulation disaster](#)] flowed southeast in several channels along the western edge of the present Deerfield Island, formerly called Capone Island (named for Al Capone who owned it during the 1930s), which did not become an island until the Royal Palm Canal was dredged along its northern edge in 1961 | .

The unopened letter to Senator Leahy, head of Senate Judiciary Committee was discovered in an impounded mail bag on November 16. The Leahy letter had been misdirected to the State Department mail annex in Sterling, Virginia, due to a misread ZIP code; by a postal worker there. .. April 18, 2002: Anthrax spores matching the profile of those sent in the letters are found outside a containment area at Fort Detrick are found, including inside the office of Dr. Bruce Ivins. Ivins had been testing spores at Fort Detrick since the attack occurred. About 600 mailboxes that could have been used to mail the letters were tested for anthrax, and the Nassau Street box was the only one to test positive. July 29, 2009: Ivins dies of a drug overdose. August 8, 2009: The FBI declares that Ivins was the sole person behind the anthrax attacks.

Battle of Stirling Bridge: 11 September 1297: a battle of the First War of Scottish Independence. On 11 September 1297, the forces of Andrew de Moray and William Wallace defeated the combined English forces of John de Warenne, 6th Earl of Surrey, and Hugh de Cressingham near Stirling, on the River Forth. The Battle is depicted in the 1995 film *Braveheart*, but it bears little resemblance to the real battle, there being no bridge and tactics resembling the Battle of Bannockburn. During the battle Surrey ordered the Stirling bridge's destruction and retreated towards Berwick, leaving the garrison at Stirling Castle isolated and abandoning the Lowlands to the rebels. The heroic exploits of Wallace were passed on to posterity mainly in the form of tales collected and recounted by the poet Blind Harry, the Minstrel. By March 1298 Wallace had emerged as the brief Guardian of Scotland. He was defeated by King Edward on the field of Falkirk in the summer of 1298. Wallace resigned as Guardian of Scotland in favour of Robert the Bruce, Earl of Carrick and future king, and John III Comyn, Lord of Badenoch, King John Balliol's nephew. | [Isaac the Blind](#) also known as Rabbi Yitzhak Saggi Nehor (c. 1160–1235 in Provence, France), is considered the author of Kabbalah (Jewish mysticism); [considered by some Christians](#) to be the basis of nearly every tradition covered under the general heading of "occultism". | Berwick: Andrew Berwick is the pseudonym for [Anders Breivik's](#) 2083: A European Declaration of Independence related to his 22 July Oslo and Utoya terrorist attacks. | [Berwick upon Tweed](#): Berwick-upon-Tweed is a town in the county of Northumberland and is the northernmost town in England, on the east coast at the mouth of the River Tweed. Founded as an Anglo-Saxon settlement during the time of the kingdom of Northumbria, the area was for more than 400 years central to historic border war between the Kingdoms of England and Scotland, and several times possession of Berwick changed hands between the two kingdoms. The name "Berwick" is of Old English origin, and is derived from the term bere-wīc, combining bere, meaning "barley", and wīc, referring to a farm or settlement. "Berwick" thus means "barley village" or "barley farm". There is an apocryphal story that Berwick is (or recently was) technically at war with Russia. The story tells that since Berwick had changed hands several times, it was traditionally regarded as a

special, separate entity, and some proclamations referred to "England, Scotland and the town of Berwick-upon-Tweed". One such was the declaration of the Crimean War against Russia in 1853, which Queen Victoria supposedly signed as "Victoria, Queen of Great Britain, Ireland, Berwick-upon-Tweed and all British Dominions". When the Treaty of Paris was signed to conclude the war, "Berwick-upon-Tweed" was left out. This meant that, supposedly, one of Britain's smallest towns was officially at war with one of the world's largest powers – and the conflict extended by the lack of a peace treaty for over a century. It is also a UFO “hotspot” which, considering the population, has had more sightings than anywhere else on Earth.

Sterling Kansas: Sterling is a city in Rice County, Kansas, United States, originally called Peace. Picnic, 1955, the sequence by the lake was filmed in Sterling. Picnic is [allegedly an acronym for Pick a Nigger](#), where a black person was randomly picked to be lynched for entertainment. | [Kansas & Slavery](#): Even before the outbreak of the [American Civil War, the territory of Kansas](#) had been the scene of fighting between anti-slavery and pro-slavery forces. During the 1856 conflict in Kansas, [christian slavery abolitionist John Brown](#) commanded forces at the Battle of Black Jack and the Battle of Osawatomie. In 1859, Brown led an unsuccessful raid on the federal armory at Harpers Ferry that ended with his capture and hanging execution on 2 December 1859.

Sterling silver is an alloy of silver containing 92.5% by mass of silver and 7.5% by mass of other metals, usually copper. The sterling silver standard has a minimum millesimal fineness of 925. Silver is a chemical element with symbol Ag (Greek: ἄργυρος *árgyros*, Latin: *argentum*, both from the Indo-European root **herǵ-* for "grey" or "shining") and atomic number 47. Crystal structure: face-centered cubic (fcc). Silver has been used for thousands of years for ornaments and utensils, trade, and as the basis for many monetary systems. Its value as a precious metal was long considered second only to gold. The word "silver" appears in Anglo-Saxon in various spellings, such as *seolfor* and *siolfor*. A similar form is seen throughout the Germanic languages (compare Old High German *silabar* and *silbir*). The chemical symbol Ag is from the Latin word for "silver", *argentum* (compare Greek ἄργυρος, *árgyros*), from the Indo-European root **arg-*, meaning "white" or "shining". Silver has been known since ancient times; it is mentioned in the Book of Genesis. The stability of the Roman currency relied to a high degree on the supply of silver bullion, which Roman miners produced on a scale unparalleled before the discovery of the New World. Reaching a peak production of 200 t per year, an estimated silver stock of 10,000 t circulated in the Roman economy in the middle of the second century AD, five to ten times larger than the combined amount of silver available to medieval Europe and the Caliphate around 800 AD. In the Gospels, Jesus' disciple Judas Iscariot is infamous for having taken a bribe of 30 coins of silver from religious leaders in Jerusalem to turn Jesus of Nazareth over to soldiers of the High Priest Caiaphas. Along with Gold [Au]; it is depicted in the [Masonic Denver International Airport Armageddon](#) artwork. | **GA** is the acronym for Georgia, the home of the [Georgia Guidestones](#), a granite monument in Elbert County, Georgia, erected on March 22, 1980; dedicated to an Age of Reason. In June 1979, an unknown person or persons under the pseudonym R. C. Christian, member of a Secret Society; hired Elberton Granite Finishing Company to build the structure. A message clearly conveying a set of ten guidelines is inscribed on the structure in eight modern languages, and a shorter message is inscribed at the top of the structure in four ancient language scripts: Babylonian, Classical Greek, Sanskrit, and Egyptian hieroglyphs. The structure is sometimes referred to as an "American Stonehenge". The ten inscriptions: 1. Maintain humanity under 500,000,000 in perpetual balance with nature; 2: Guide reproduction wisely — improving fitness and diversity; 3: Unite humanity with a living new language; 4: Rule passion — faith — tradition — and all

things with tempered reason; 5: Protect people and nations with fair laws and just courts; 6: Let all nations rule internally resolving external disputes in a world court; 7: Avoid petty laws and useless officials; 8: Balance personal rights with social duties; 9: Prize truth — beauty — love — seeking harmony with the infinite; 10: Be not a cancer on the earth — Leave room for nature — Leave room for nature.

Starling: [Starlings](#) are small to medium-sized passerine birds in the family Sturnidae. The name "Sturnidae" comes from the Latin word for starling, sturnus. Many species search for prey such as grubs by "open-bill probing", that is, forcefully opening the bill after inserting it into a crevice, thus expanding the hole and exposing the prey; this behaviour is referred to by the German verb zirkeln. Starlings imitate a variety of avian species and have a repertoire of about 15–20 distinct imitations. They also imitate a few sounds other than those of wild birds. The calls of abundant species, calls that are simple in frequency structure and calls that show little amplitude modulation are preferentially imitated. There are local dialects of mimicked sounds. Starlings have also been known to imitate other, man-made environmental sounds, such as phone boxes and cars. | [Clarice M. Starling](#) is a fictional character and the protagonist of the novels *The Silence of the Lambs*, and *Hannibal* by Thomas Harris. Jodie Foster acts as a student at the FBI academy in *Silence of the Lambs* and Julianne Moore acts as a fully fledged FBI agent in *Hannibal*. In *The Silence of the Lambs*, her mentor, FBI director Jack Crawford, sends her to interview Dr. Hannibal Lecter, a brilliant psychiatrist and cannibalistic serial killer, housed in a Baltimore mental institution; in her search for information about Buffalo Bill [aka Jame Gumb and Jack Gordon]; a currently active serial killer being hunted by the FBI. Lecter gives Starling information about Buffalo Bill, in exchange for personal information. In *Hannibal*, Lecter working as a Library curator in Florence, Italy; follows Starling's attempts to apprehend Lecter before his surviving victim, Mason Verger, a wealthy child molester whom Lecter left paralyzed and horribly disfigured during a therapy session; captures him by means of a \$3 million bounty. At one point Lecter baits a bounty hunter named Pazzi into an isolated room of the Palazzo Vecchio, ties him up with electrical cords, and publicly hangs and disembowels him, before escaping back to the United States [Palazzo Vecchio was built in 1299, by the commune and people of Florence to give greater security, in times of turbulence, to the magistrates]. In a Fourth of July scene, Starling, disoriented by morphine and dressed in a black velvet evening gown, awakens to find Lecter to have subdued and drugged Kendler, a DoJ official; she looks on in horror as Lecter removes the top of Krendler's skull, cuts out part of his prefrontal cortex, sautées it, and feeds it to Krendler. Starling tries to attack Lecter but he overpowers her. She manages to handcuff his wrist to hers, and with police incoming to the residence, Lecter brandishes a meat cleaver and severs his own hand to escape. Lecter is later seen on a flight with a boxed lunch on his pull-down table. As he prepares to eat his meal, including a small cooked portion of what is assumed to be Krendler's brain, a young boy seated next to him asks to try some of his food. Lecter lets the boy eat some of his lunch, telling him "it is important... to always try new things."

Factual Reality vs Interpretive Reality: No interpretation herein is stated as a fact. Any interpretation herein implied of another persons motives could be anything from 001% upto 100% correct or incorrect. Until confirmed; they are only working hypothesis interpretations; NOT FACTS. If an interpretation is accurate; that does not imply either party has agreed to the interpretation in terms of any agreement between the parties. It is not possible to conclude any agreement until both parties are clear that their interpretations of the terms are accurate. Verbal or written agreements which do not fulfill the four requirements of a lawful, binding contract, namely: (1) Full Disclosure; (2) Equal Consideration; (3) Lawful Clear and Concise Terms and Conditions simply explained; and (4) Signatures of both/all Parties; are null and void.

Reminder: Factual Reality is founded upon FACTS: what happened, who said what, who did what to whom, how and when. We create the world by noticing who, what, when and how via our senses of sight, sound, smell, taste, and touch. Interpretive Reality is founded upon the INTERPRETATION OF FACTS (i.e. motives, causes, etc); commonly referred to as the 'why' behind the whom, when, how and what. When we consciously or unconsciously think about 'why' the whom we observed did or said what and how and when; we enter into subjective interpretive reality. Should either of you or your political party leadership or members desire my departure from this planet; because I 'appear to be a complete waste of oxygen'. I have been attempting to make arrangements for my departure from this Masonic infested planet of gutless cowards for fifteen years now. All I have asked is for South African and/or International authorities or Oklahoma City bombing prosecutors and/or counsel to confirm with President Bush and/or Governor Gray Davis that Timothy McVeigh's execution was faked; and whether the terms of his faked execution allow for me to physically spend two years with Timothy McVeigh off grid in a little village in the Siberian wilderness; before we depart this planet together.

So far South African and/or International prosecutors, lawyers, magistrates, judges, politicians and Oklahoma City bombing prosecutors and counsel refuse to confirm with President Bush and/or Governor Gray Davis that Timothy McVeigh's execution was faked; so I have been unable to find out whether the terms of his faked execution allow for me to physically spend two years with Timothy McVeigh off grid in a little village in the Siberian wilderness; before we depart this planet together.

If you or your fuck honour political party leaders are willing to confirm with President Bush and/or Governor Gray Davis that Timothy McVeigh's execution was faked; and find out whether the terms of Timothy McVeigh's faked execution allow for me to physically spend two years with Timothy McVeigh off grid in a little village in the Siberian wilderness; before we depart this planet together; then we can expedite your desire for my departure from this planet; so I don't consume any more of your or your fuck honour political party's oxygen.
