Removal of President Barack Obama as Ecology of Peace supporter

I shall be removing your name from the Ecology of Peace pages.

I don't believe that you have any sincere interest in implementing an Ecology of Peace international law social contract. I don't know of any member of your Democratic Party that gives a fuck about implementing an Ecology of Peace international law social contract.

I no longer believe your bullshit the public relations verbal diarrhea; while you continue to suck the cock of Fortune 500 America. I do know two Americans whom are not allegedly dead; whom do give a fuck about, in terms of their words and actions; an Ecology of Peace international law social contract; for the benefit of all the world citizens. I shall replace your name with that of the United States Army Special Forces Officer: Michael Martin.

I shall be happy to replace Mr. Martin's name with yours once you provide President Putin with a 'buck stops here' unconditional or conditional cooperate answer in writing to his question: New Ecology of Peace Rules or current 'fuck honour' Masonic War is Peace rules.

FTR Information regarding Michael Martin as Ecology of Peace supporter

The Michael Martin; I am referring to; is not the [European Michael Martin](#) Commander A/96th CA Airborne, stationed at Ft Bragg North Carolina.

Michael Martin is not his real name; it is one of his CIA and US Army Special Forces sniper pseudonyms. Michael Martin is a green eyed Seminole who self identifies as extreme conservative. He was Timothy McVeigh's special forces commanding officer in the Oklahoma City Bombing.

If the Pentagon or CIA could find Michael Martin; I have little doubt that he would have no problem 'buck stops here' proudly signing his name in legal support of (a) the implementation of an International Ecology of Peace referendum; and/or (b) the EoP PoW –v– Nobel Peace Laureates complaint (PDF) to the International Criminal Court.

Michael Martin does not play 'fuck honour' plausible deniable games with people who practice 'buck stops here' communication practices; from any religion, class, or culture.

If the International Criminal Court convicted any of the EoP PoW –v– Nobel Peace Laureates respondents of 'crimes of aggression acts of war' for their refusal to: (a) voluntarily and sincerely consent to Private Prosecution proceedings; and/or (b) Plead Guilty & Apologize or object by filing an objection brief, stating in writing their arguments and evidence; Michael Martin would have no problem personally delivering the humane and orderly 'genepool cleansing' termination by assassination sentencing of all convicted accused; irrespective if they were a Pope, President, Fortune 500 CEO or 'fuck honour' corporate cocksucking General; whose scarcity combatant

bodies he would have no problem dumping into former coal, granary or other related silo's to be organically converted into compost.
