As you are aware the only thing Lara Johnstone has wanted and worked on behalf of is to be able to physically spend time with Timothy McVeigh before Lara and Tim depart.

All she has asked for is an answer to the simple question: “From whom do I need to get permission to physically spend time with Timothy McVeigh before I depart planet earth; to ask him to his face if he wants to spend a bit of time with me together before we depart this Masonic infested planet.”

Since 2001 International political and religious Masonic elite authorities have refused to provide her with a simple answer clarifying whom she needs to ask for permission.

Does the United States Navy JAG office intend answering Lara’s simple question.

If so: by when can Clive and Ann Johnstone expect a Buck Stops Here written answer from US Navy JAG to Lara's question; for them to make a fully informed decision as to whether they should delay decision making about supporting Lara's suicide plans.

Respectfully

Francisco Martin:

If you really think that Timothy would like to spend time with Lara before she leaves this planet; and if you care about Lara and Tim physically spending time together before they leave this planet; and you spending time together with Tim and Lara before they leave, if you want to; and you would like to help Lara's parents decide about delaying Lara's departure to help Lara and Tim to spend time together.

Write a brief letter to Lara's parents that does not include swear words; including the following information:

- Introduce yourself; who you are, where you live, what you do, etc.
- How you met Lara; how long you have known Lara and a summary of the context of your relationship to Lara; including with regard to Radical Honesty, Brad Blanton and other Radical Honesty trainers.
- Your response to Lara when she asked you if she could include you as an applicant in the GMC 4643-13 Lara Johnstone v Brad Blanton et al case; confirmation that you have read all the GMC 4643-13 applicants correspondence copied to you by Lara; and a brief analysis and summary of the issues involved therein.
- Whether you think that what Lara has been doing is 'worth it' to Lara and/or her parents; and how.
- If the work Lara has been doing is 'worth it' to you; however you may define 'worth it'.
- If you believe the work Lara has been doing has been 'worth it' to anyone else; please clarify whom and how you think it may have been helpful to such persons; and why you think such persons refuse to say 'thank you' to Lara or publicly support her work?
- Whether you are willing to write an official affidavit statement under oath; providing greater detail and evidence about any issues mentioned above; and that you would be willing to testify in court under oath via skype on any of those issues; should Clive and Ann request such a statement from you.

If you are willing to write such a letter to Ann and Clive; please notify them you intend to research and draft it, and the date by when Ann and Clive can expect you to provide them with your letter including the aforementioned information.

Respectfully

NSA Derenzi Response: Pres GW Bush & SecDef D Rumsfeld: Faked Execution & Pardon of OKC Bomber: Timothy James McVeigh: Terms of Agreement

I received the following response allegedly generated by postmaster@nmci-isf.com [mailto:postmaster@nmci-isf.com]; alleging that the email subject “Pres GW Bush & SecDef D Rumsfeld: Faked Execution & Pardon of OKC Bomber: Timothy James McVeigh: Terms of Agreement” had not been delivered to 'VADM Nanette Derenzi' (nannette.derenzi@navy.mil); because allegedly the email address could not be found. Email-verify however confirms the email address nannette.derenzi@navy.mil exists and is active. [SS]

I imagine the aforementioned ‘undeliverable’ response was probably generated by someone at the NSA; but it could also have been many others. The point: The email exists; someone is attempting to say the email was not delivered to nannette.derenzi@navy.mil; because the

nannette.derenzi@navy.mil email address allegedly does not exist; when it clear does exist and is active.
