Magistrate Jason Brent

**Jason Brent LinkedIn Invitation**

Thanks for the LinkedIn invitation; but I am not a member of LinkedIn.

By the way; I have shared excerpts of your book: Humans: An Endangered Species with EoP Applicants [[PDF](#)].

I am in the process of attempting to find professional qualified Assistance of Counsel for the EoP Applicants; and have written to various Judges, lawyers and paralegals asking them whether they would consider being EoP Applicants legal counsel [[PDF](#)]. I have not received any positive responses.

I can send you an invitation; if or when I decide to resume attempting to find professional qualified Assistance of Counsel for the EoP Applicants.

An EoP international law social contract is not the most important necessity on my Military Necessity list.

I have lived a life that has been pretty close to or below ecological carrying capacity limits: I have not bred any children; and consumed close to or below ecological carrying capacity limits; and spent most of my adult life attempting to educate humans to breed and consume below ecological carrying capacity limits; not only in words; but also in actions; some of which has resulted in me being placed into prison and mental institutions; for my efforts. So I have no guilt about the rape of the planet. Allot of sadness yes; but no guilt.

I have been ready to depart this planet for 14 years; I have simply had one simple request; to spend two years in a village in Siberia with the man I love before we depart the planet together.

Respectfully,

Lara Johnstone, aka Andrea Muhrrteyn [[EoP Oath \(PDF\)](#)]

**To:** 'Dignitas'  
**Cc:** 'Timothy McVeigh'  
**Subject:** Req for Info: Application for Reduction / Exemption of Membership & Assisted Suicide Fees

DIGNITAS  
P. O. Box 17  
8127 Forch  
Switzerland  
Tel: +41 43 366 10 70 | Fax: +41 43 366 10 79  
Dignitas ([dignitas@dignitas.ch](mailto:dignitas@dignitas.ch))

**Req for Info: Application for Reduction / Exemption of Membership & Assisted Suicide Fees**

I have read your brochure and understand the following:

In order to access Dignitas service of an assisted suicide, I have to: (a) be a member of DIGNITAS, and (b) be of sound judgement, and (c) possess a minimum level of physical mobility: sufficient to self-administer the drug.

Because the co-operation of a Swiss medical doctor is absolutely vital in obtaining the required drug, further prerequisites mean that I must have (a) a disease which will lead to death: terminal illness, and/or (b) an unendurable incapacitating disability, and/or (c) unbearable and uncontrollable pain.

A personal, signed letter to DIGNITAS, preferably typed, in which the member asks for an accompanied suicide with the help of DIGNITAS. The letter must state the reason(s) for making the request and must describe the member's present physical condition and how it affects them:

- ❖ A biographical sketch describing my situation with respect to my next of kin. Dignitas and the doctors assessing my request will use this information to get a clear picture of my personal background and family circumstances.
- ❖ One or more up-to-date medical reports together with two or three older ones. These reports must provide substantial information on the case history, diagnosis, and - if possible - actual and suggested treatment / measures as well as prognosis. The most recent report must not be more than three to four months old, and all reports must be clearly legible. Pictures, such as x-ray films etc., and laboratory analyses should not be included.

### ***Membership & Assisted Suicide Fees & Exemptions:***

I am not currently a member; and request exemption under 'modest economic circumstances' statutory provisions.

I understand to become a member I need to pay one-off joining fee: CHF 200 and minimum annual member fee: CHF 80; and should only pay these fees once my membership registration has been confirmed.

Alternatively Dignitas statutes make provision for a reduction of - or even complete exemption from - membership fees for members who live under modest economic circumstances: this provision also applies to the additional contributions associated with preparing and completing an assisted suicide. However, it is essential that any reduction of or exemption from contributions is discussed and agreed beforehand between the member and Dignitas.

I personally do live under very modest economic circumstances, and if possible request an application form to apply for reduction and/or exemption of membership and assisted suicide fees.

### ***Sound Judgement:***

I am of reasonable sound judgement.

***Physical Mobility:***

I possess the required minimum level of physical mobility.

***Disease, Disability or Pain:***

The most applicable factor would be unbearable pain.

I can confirm that for a long time, extremely aggravated since 2001 I have experienced and continue to experience unbearable sadness pain.

I request Dignitas to help me to die in dignity by means of assisted suicide.

I understand that you require a personal signed letter; with much more detailed information and evidence in support of such information; after I am confirmed as a member.

Could you clarify what information you require to make a decision about 'modest economic circumstances' reduction and/or exemption?

Do I need to provide you with my personal signed letter before my modest economic circumstances request for reduction and/or exemption of membership and assisted suicide fees is resolved?

Respectfully

Re: ***Possible NATO Cryptic Response to Jus Sanguinis campaign:***

Re: Possible NATO cryptic response to Jus Sanguinis campaign; referred to in the aforementioned comment correspondence to African White Refugees: "Afrikaners with proof of Dutch roots are eligible for Netherlands passports"; as detailed in EoP Applicants: NSA & FSB: EoP Interpretation Forensic Data [[PDF](#)].

My policy on cryptic correspondence is repeatedly clearly noted; in among others (i) FSB Gen Bortnikov & Pres Putin: 02 January 2016 6:59 PM [[PDF](#)]; (ii) 30 March 2016 correspondence to Karen Marshall [[PDF](#)].

Summary: I honestly and sincerely ask for what I want. I sincerely and actively listen to what they want. If the individual is willing to help me get what I want; great we can reciprocate and cooperate to help each other get what we want. If the individual is not willing to help me get what I want; that's okay; I ask someone else. We know where we stand with each other; if either of us want something in the future; we can ask in village idiot English. If I can't find anyone to help me get what I want; I accept reality. I change my mind about what I wanted; or I make preparations to depart the planet and find another planet where the inhabitants of that planet; appreciate honesty.

Top of my military necessity list is an answer from the individual who made the decision to order the faking of Timothy McVeigh's 11 June 2001 execution [[PDF](#)]; whether President George W Bush or someone else ["President Bush was presumably the individual who – either of his own volition; or under threat from one or more other individuals; if so presumably U.S. Military officials, Vladimir Putin, Benjamin Netanyahu and/or Pope Benedict XVI -- made the decisions related to Timothy McVeigh's 11 June 2001 faked execution; the exact details of those decisions remain unknown to the applicant." – Excerpt: [GMC 5048-14: Lara Johnstone v Clive Johnstone](#): Amended Notice of Motion: Affidavit [PDF](#)]; whether Timothy McVeigh's 'faked execution' agreement allows for me and Timothy McVeigh to spend time together somewhere in a small village off grid for a while: two years minimum would before we depart this planet together.

I don't know what is on the top of other people's military necessity lists. Presumably the implementation of an Ecology of Peace international law social contract is on the top of many Generals and Admirals military necessity lists [[PDF](#): 23 Jan 2016]. If they don't have enough Generals and Admirals to implement [EoP Axis Military Necessity Coercion Evacuation](#); those who believe in God/Allah/Jahweh/Buddha/Satan better be doing some 'God Help Us All'; as they give the planet's Prosecutors, non-cooperating military elite, lily white guilt liberals – who don't understand the passive aggressive obstruction to the honourable winning hearts and minds implementation of an Ecology of Peace cultural schmuck reality – some [rectal-hummus hydration](#) interrogation.

‘God Help Us All’ considerations for the God/Allah/Jahweh/Buddha/Satan believers:

To the Pope’s, Cardinals, Pastors, Friars, Priests, Deacons, Ayatollahs’ Imam’s, Witches interpreters of God / Allah / Buddha’s / Satan’s etc words:

- When do you intend to ask your God / Allah / Buddha / Satan boss; whether he knows that the earth he made is flat or not?
- If your God / Allah / Buddha / Satan boss knows that the earth he made is not flat; but round and with finite resources:
  - when does that God / Allah / Buddha / Satan boss of yours intend to inform you his prophet spokesperson?
- If your God / Allah / Buddha / Satan Boss knows that the earth he made is not flat; but round and with finite resources; and your God / Allah / Buddha / Satan is a God / Allah / Buddha / Satan is a God of peace:
  - When does your God / Allah / Buddha / Satan boss intend to order you to order his children of peace flock; to implement an Ecology of Peace international law social contract?
- If alternatively your God / Allah / Buddha / Satan Boss is a God / Allah / Buddha / Satan of War; when is your God / Allah / Buddha / Satan Boss going to order you his Interpreter prophets to order you to register your religion as a Religion of War with the relevant State authorities?

Since I don’t believe in God; I don’t ask God if the earth he made is flat or not; whether resources are finite or not.

Since it is quite obvious to me; that if people sincerely want to live in peace; they should cooperate to implement an Ecology of Peace international law social contract; I do what I can to educate (a) people who prefer avoiding social conflict or resource war conflict about how they can do so: cooperate to implement an Ecology of Peace international law social contract; that requires all the worlds citizens to procreate and consume below ecological carrying capacity limits; and engage in fully informed consenting agreements; (ii) people who occasionally or frequently prefer to engage in physical violent conflict; that if they support the implementation of an Ecology of Peace international law social contract; based upon breeding and consuming below ecological carrying capacity limits and fully informed consenting agreements; they will be able to engage in fully informed consenting fight club like fights in private venues; or whatever perverted violence they prefer to engage in; with others who have those preferences; and they won’t have to worry about ending up in jail or in court; for their consensual violent activities.

If or where I perceive the possibility that some Generals or Admirals are sincerely concerned about the [implementation](#) of an [Ecology of Peace](#) international law social contract; to enable humane and orderly depopulation and deindustrialization to a new Ecology of Peace based economy; I do what I can to help them; as long as helping them does not conflict with my commitment to (a) honesty to all; (b) getting what I want: spending time physically with Timothy before we depart this planet.

If Timothy does not want to spend time with me before we depart this planet; he is more than welcome to inform me; and I shall depart on my own. No political correctness required. Simple: Thanks, but no thanks; don’t give a fuck about spending physical time with you; you are welcome to fuck off.

### ***Cultural Schmuck reality:***

“I come from the school of 'walk softly and carry a big stick.’” – [Esquire: William Fox Fallon: The Man Between War and Peace.](#)

“He was a senior commander who went with his units from house to house, from bunker to bunker, from orange grove to orange grove; to explain what he meant. And three months later, Gaza was quiet. Terrorism was crushed with an iron fist, with a cruel hand. He cast fear into Gaza. .... They were afraid of him, really scared. He explained to me once in a very simple manner; that he went to put an end to terrorism in Gaza. He was head of Southern Command. His method was simple. Every Arab caught holding a weapon; was shot on the spot.” -- Eli Landau & Uri Avnery; [Israels Generals: Ariel Sharon.](#)

“In our neighbourhood strength is everything” – [Israel Video Network](#)

“[05BAGHDAD5038 US Embassy Cable to Washington DC] Summary: Fight Terror with Terror: Major General Thabit, who created and commands the Special Police Forces, is a Sunni officer who served time in prison for attempting to overthrow the Saddam Regime. .. They expressed the view that its necessary to fight terror with terror and it is critical that their forces be respected and feared as this is what was required in Iraqi society to command authority. ... Judges are not willing to bring cases against media or religious figures who incite violence, and this is a problem.” -- [James Steele: America's mystery man in Iraq; Guardian Investigation; Wikileaks Cable.](#)

“In the Middle East, anyone who proclaims non-stop that he wants peace, projects the image of someone who is afraid of war because he is weak, thereby awakening the militaristic adrenaline glands of his neighbors, who then resemble nothing so much as eagles and vultures hovering over a dying cow. And the opposite is just as true: anyone who radiates power, strength, threat and danger enjoys comparative tranquillity because the bullies leave him alone. This is the reason the Arabs hated and respected Ariel Sharon and Moshe Dayan – they were afraid of them. Sadat made peace with Israel because he could not defeat the Jewish state despite the surprise factor he had in opening the Yom Kippur War and his early success in crossing the Suez Canal. Hussein also made peace with Israel, hoping it would use its power to help him face the Baath party of Syria and Iraq. Arafat agreed to a hudabiyya peace - that is, a temporary "peace" for as long as the enemy is too strong to defeat – after the failure of the first intifada.... In the area called the Middle East only those who are truly powerful, threatening and determined to deter their enemies survive. ... This is the bitter reality in which we attempt to survive... I am just the messenger who is charged with explaining to my readers what not everyone understands about the culture in our neighbourhood. " - Dr. Mordechai Kedar; [Israel National News: Why the Arab World Long for Labour to Win.](#)

“*Parallels between South Africa and the Middle East: How Weakness Breeds Contempt:* In terms of psychological dynamics, I see important similarities between South Africa and the Middle East. *From The Counterlife*, a 1987 novel by Philip Roth: “We’ll drive through the village ... . You’ll see how Arabs who want to can live in peace, side by side, only a couple of hundred yards away. They come up here and buy our eggs. [Our old] chickens ..., we sell to them for pennies. ... . The army could move in here tomorrow, weed out the troublemakers, and the stone throwing would be over in five minutes. But they don’t. They even throw stones at the soldiers. And when the soldier does nothing, you know what the Arabs think? They think you are a shmuck – and *you are a shmuck*. Any place in the Middle East, you throw a stone at a soldier and ... [h]e shoots you. But suddenly they discover ... that you throw a stone at an Israeli

soldier and he doesn't shoot you. He doesn't do anything. *And that's when the trouble begins. Not because we are cruel, but because they have found out we are weak. ... They don't respect niceness and they don't respect weakness. What the Arab respects is power.*" .... And just so, blacks think whites are fools. ... Of *course* blacks will think you're a shmuck – 'and you *are* a shmuck'! Arabs in Israel live better than those in 'Palestine', economically and politically. Most know this, but because of Western propaganda, many 'convince' themselves otherwise. In South Africa, most blacks don't want black rule; but Western propaganda will 'convince' them they do. In both cases it is a matter of mob hysteria, intimidation and liberal media influence." – Gedaliah Braun: [Racism, Guilt, Self-Hatred and Self-Deceit: A Philosophers Hard-Headed Look at the Dark Continent](#).

"Order demands violence. A rule not ultimately backed by the threat of violence is merely a suggestion. States rely on laws enforced by men ready to do violence against lawbreakers. [...] Without action, words are just words. Without violence, laws are just words. [...] Violence isn't the only answer, but it is the final answer. One can make moral arguments and ethical arguments and appeals to reason, emotion, aesthetics, and compassion. People are certainly moved by these arguments, and when sufficiently persuaded –providing of course that they are not excessively inconvenienced — people often choose to moderate or change their behaviors. However, the willful submission of many inevitably creates a vulnerability waiting to be exploited by any one person who shrugs off social and ethical norms. [...] Violence is the final answer to the question, "Or else what?" [...] Ask the Cherokee, the Inca, the Romanovs, the Jews, the Confederates, the barbarians and the Romans. They all know "Or else what." – [Jack Donovan: Violence is Golden](#).

"Here they place Putin in context as part of the so-called Andropov levy, a generation of KGB officers recruited during the long (1967–82) chairmanship of Yury Andropov. According to Hill and Gaddy, Andropov saw himself as an enlightened, liberal secret policeman who emphasized the need to "work with people"—that is, to try persuade dissidents to change their minds and support the Soviet regime, but with obvious coercive threats looming in the background. They see Putin as adapting this approach to Russian politics today, trying to win through persuasion, but always ready to bring the full force of the state to bear on any opponent who does not see the wisdom of agreeing. Most notably, Putin used this method to bring the oligarchs to heel. Putin made it clear they would be allowed to make their fortunes but had to become apolitical, pay their taxes, and follow Putin's policy line. He made it clear that their "property rights were ultimately dependent on the good will of the Kremlin," with former oligarch Mikhail Khodorkhovskiy's fate—a long jail term and seizure of his assets—serving as an example of what would happen to anyone who stepped out of line. It is the same method that Andropov used with dissidents, who knew that psychiatric hospitals and labor camps awaited anyone who failed to be persuaded by the KGB's arguments." - [CIA Review: The Man Without a Face: The Unlikely Rise of Vladimir Putin](#), by Masha Gessen and [Mr. Putin: Operative in the Kremlin](#), by Fiona Hill and Clifford Gaddy.
